Outpost Classic

*You bring the property.
We build it, brand it and run it.*

8% COMMISSION · 200 FOUNDING ALLOCATIONS · INDIA

THE EARN-BACK PROMISE

Earn back your programme fee in 12 months —
or we pay you the difference.

THE MODEL, IN ONE LINE

You own or lease the property. We do everything else.

Red Flag designs it, brands it, launches it through creators and runs it completely — pricing, guests, cleaning, repairs. You pay one programme fee and 8% of what it books.

is when allocations open.

TWO WAYS IN

Two ways in. One system.

Same fee. Same 8%. Same promise. The only difference is whether you pay a landlord.

Franchise fee, one time	₹59,999	
Setup & procuring, up to 3 keys	₹1,11,111	
Programme fee	₹1,71,110	
Rent and deposit	None	Paid by you to your landlord
Electricity, water, internet	You	
Red Flag commission	8%, min ₹4,999 a month	
Cleaning & minor maintenance	From booking revenue, at cost	
Earn-Back Promise	Yes	

All prices plus applicable GST. Setup covers up to 3 keys; each extra key ₹45,000. Furniture for an unfurnished property is quoted separately, itemised, at cost.

You pay nothing until your property passes assessment. We look first, then you decide.

THE EARN-BACK PROMISE

If it doesn't earn back its fee in year one, we pay the difference.

If your Outpost's net operating profit over its first 12 full months after going live is less than the programme fee you paid, Red Flag pays you the difference.

WORKED EXAMPLE

Programme fee you paid

₹1,71,110

Your Outpost nets in 12 months

₹1,20,000

We pay ₹51,110

- Net operating profit = your payouts, minus the rent and utilities you paid.
- Maximum payment is the programme fee you paid. Everything installed stays yours either way.

THE EARN-BACK PROMISE

The conditions, stated plainly.

- 01** The property stays bookable at least 27 nights a month, excluding your agreed owner nights.
- 02** We set the pricing, and you don't override it.
- 03** The property passed our assessment — and for a leased property, the rent is within the range we assessed.
- 04** You approve major repairs within 7 days of us asking.
- 05** You claim in writing within 30 days of month 12.

No quibbles.
Written terms.
Paid within 30 days.

We can only make this promise because we run the property ourselves, to one standard. No manager who leaves the cleaning to you could offer it.

Building and contents insurance	You
Cleaning, linen, consumables, minor repairs	Deducted from booking revenue at cost

HOW IT WORKS

Four stages. You step back after the first.

YOU + US

US – YOU STEP BACK

01

The Hunt

We check your property, or help you find one, against real demand data – before you commit a rupee.

02

The Flip

Design, furnishing, branding kit, smart lock and WiFi. Photograph-ready in under 45 days.

03

The Drop

Creators stay and post, a professional shoot, and listings go live on every channel.

04

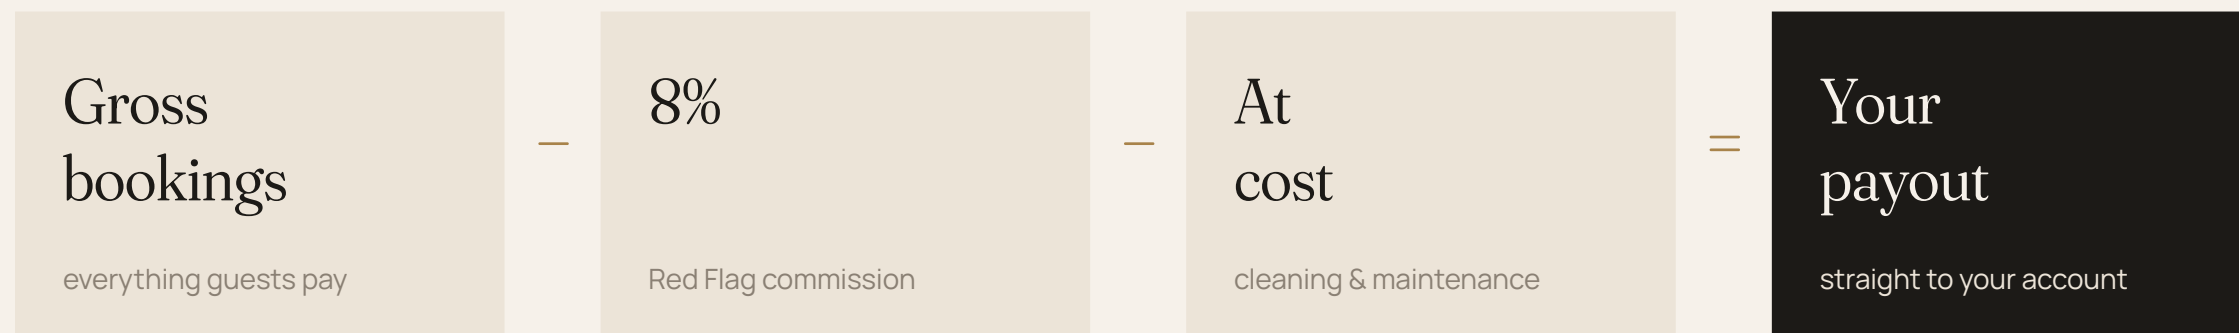

The Yield

AI pricing, 24/7 guests, every clean and repair handled. Payouts on the 1st and 16th.

HOW YOU GET PAID

One statement. Twice a month.

You never receive a separate bill.

Payouts land on the 1st and 16th of every month, with a statement showing every booking and every deduction. Gross bookings, minus 8%, minus cleaning and maintenance at cost, equals your payout.

READ THE FIRST COLUMN HONESTLY

At 45% occupancy the fee takes longer than 12 months to earn back – which is exactly when the Earn-Back Promise pays you. We publish that column deliberately. A company that only shows you its best case is showing you the wrong thing.

Owners: compare with what a tenant pays you today (₹75,000 assumed). Lessees: rent is ₹75,000. Breakeven for a leased Outpost is around 41% occupancy.

Illustrative only – ₹9,000 average nightly rate, ₹75,000 market rent. You receive a projection for your own property during assessment.

YOUR NAME ON THE DOOR

An identity, not a listing number.

A higher nightly rate

Design detail supports premium pricing. You stop being compared to the flat next door.

Instant credibility

Reads as a hospitality brand, not someone's spare flat.

Exit value

A branded, operating, revenue-producing property sells for more than a furnished flat.

Free guest content

Guests photograph and post branded details unprompted.

The collection effect

Guests who stay in one Red Flag property recognise and book others.

Your name on the door

An engraved RED FLAG × [Your Property] plate.

IS THIS FOR YOU?

Honest fit, both ways.

It works well if

- ✓ You own a flat or villa that is empty, under-used, or earning a modest rent
- ✓ You can put ₹1,71,110 to work without needing it back next month
- ✓ You want the income without the job
- ✓ Your property is in or near Goa, Mumbai, Bengaluru, Delhi NCR or Lucknow — or you live abroad and own one there

It is not for you if

- ✗ You want a guaranteed monthly income regardless of bookings. Short stays don't work that way — anyone promising it is not telling you the truth.
- ✗ You want to set your own nightly rates. Our pricing control is what makes the Earn-Back Promise possible.
- ✗ You need the property free for long stretches. Owner nights are agreed at signing.
- ✗ Your society or landlord prohibits short stays and won't give written permission.

WHAT WE NEED FROM YOU

Six simple requirements.

01

Age & residency

You are 18 or older, and an Indian citizen or valid resident.

02

Proof

Proof of ownership, or a lease permitting short-stay use.

03

Permission

Written permission from your society or landlord where required.

04

Clear title

The property free of legal dispute or encumbrance.

05

KYC

Basic KYC and bank details for payouts.

06

Access

Access for cleaning, maintenance and guests — and approval of major repairs within 7 days.

FREQUENTLY ASKED QUESTIONS · 1 OF 2

Straight answers.

01 What is Outpost Classic?

A programme where Red Flag designs, brands, launches and runs your short-stay property end to end. You pay a one-time programme fee and 8% of booking revenue.

02 What does it cost?

₹59,999 franchise fee plus ₹1,11,111 setup, one time – ₹1,71,110 for up to three keys, plus GST. Extra keys ₹45,000 each. Commission 8%, min ₹4,999 a month.

03 When do I pay?

After your property passes assessment and you sign. Nothing before that. The free assessment carries no obligation.

04 I already own a property. What do I pay?

The programme fee, electricity and utilities. No rent, no deposit.

05 I don't own a property. Can I still join?

Yes. We help you find and assess a high-demand property before you sign a lease. You pay the programme fee, and rent and deposit to your landlord.

06 What if my property doesn't qualify?

We tell you why, in writing, and you pay nothing. We would rather decline a property than run one that will disappoint you.

07 What is the Earn-Back Promise?

If net operating profit in the first 12 full months is less than the programme fee you paid, we pay the difference within 30 days of a valid claim. Full terms in the Programme Terms.

08 Is my return guaranteed?

No. Earnings depend on occupancy, rates, season and location, and a property can earn less than its costs. The only guarantee is the Earn-Back Promise, exactly as written.

09 Who pays for cleaning and repairs?

Cleaning, linen, consumables and repairs up to ₹2,000 per incident are arranged by us and deducted at cost, itemised. Anything above ₹2,000 needs your approval first.

FREQUENTLY ASKED QUESTIONS · 2 OF 2

More straight answers.

10 Why is your commission only 8%?

Our operations run on an AI system rather than a large payroll, so each extra property costs us little to run. The first 200 partners lock 8% for life.

11 How long until my property is live?

Under 45 days from signing, if the property is ready to work on.

12 When and how am I paid?

Twice a month, on the 1st and 16th, with a statement showing every booking and deduction.

13 Can I still use my property?

Yes. Owner nights are agreed at signing and blocked in the calendar. Nights beyond that allowance are excluded from the Earn-Back Promise.

14 Can I add a second property later?

Yes, and performing partners are prioritised. Each property has its own programme fee and its own Earn-Back Promise.

15 I live abroad. Can I join?

Yes. NRIs can join fully remotely for a property in India. Payouts go to your NRO account and Indian tax is deducted at source as the law requires.

16 Can I leave the programme?

Yes, with 90 days' notice after an initial 12-month term. The fee is not refundable except under the Earn-Back Promise; everything installed stays yours.

17 What happens to the branding if I leave?

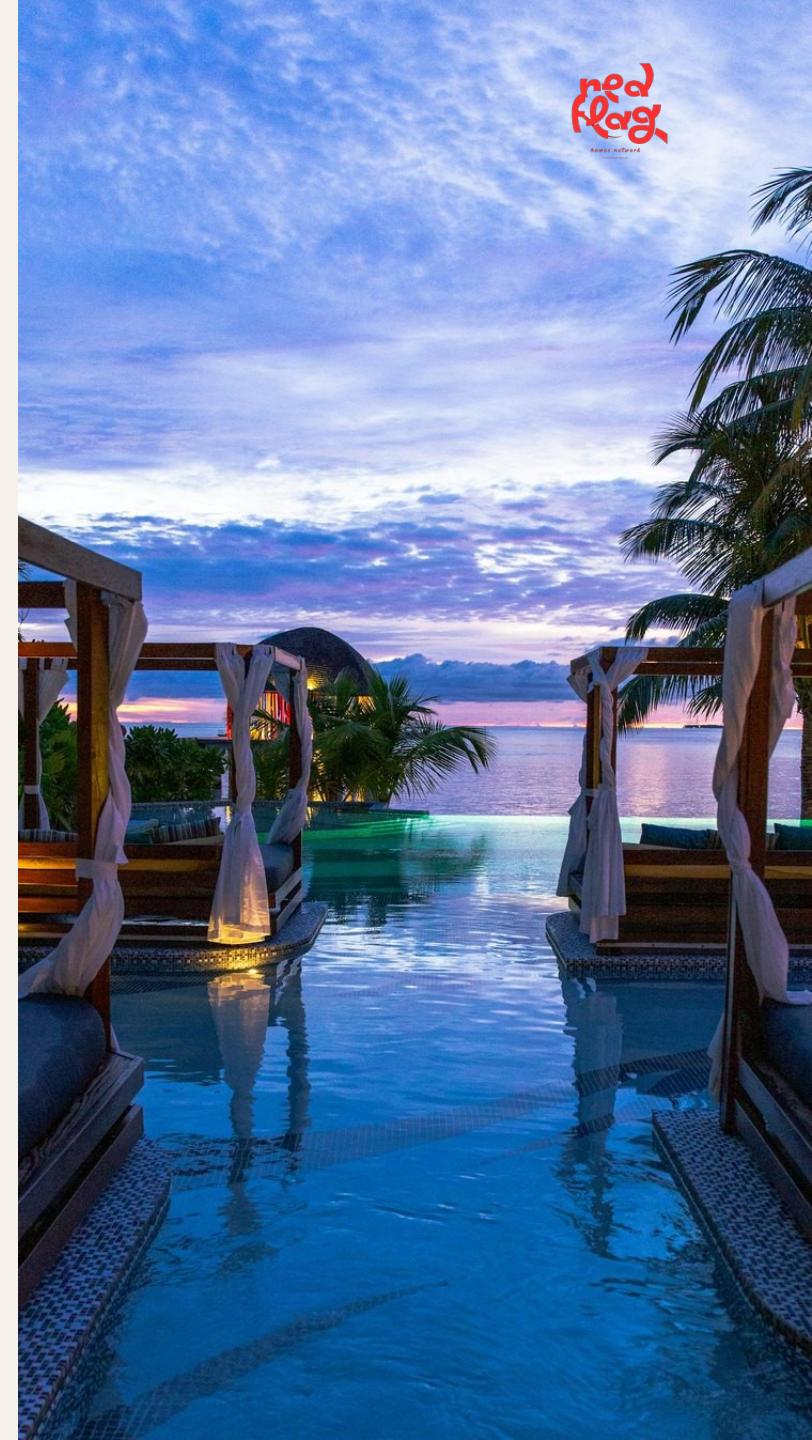

We remove the Red Flag name and door plate. Furniture and fittings you paid for stay with you.

YOUR NEXT STEP

It takes 48 hours.

- 1 Apply for allocation at redflaghomes.in. Two minutes.
- 2 We call you — usually the same day — and ask about your property and your city.
- 3 We assess it against real demand data, free, with no obligation.
- 4 You receive a projection within 48 hours — your rent, your city, your numbers.
- 5 If the numbers work for both of us, you sign and pay. Live in under 45 days.
